

Fall '23 Mystery Quilt

59" x 59"

Fabric Requirements:

- Layer Cake or 10" stack – needs to have at least 39 squares
- Coordinating / Background: Fabric: 1 ¼ yard or 1.1 m
- Binding: ¾ yard or 0.8 m

Clue #1

Arrange 36 of the fabrics into pairs. Each square needs to contrast with the other. You will have 18 pairs. Put the extra squares aside for now.

I placed the 18 squares on the design wall and matched each one with a contrasting one.
