

# Fall '23 Mystery Quilt

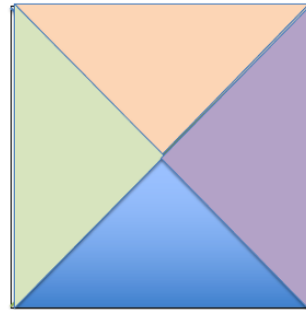

## Clue #7

Take the half-square triangles from Clue #4.

Place 2 of them, right sides together. Nest the seams of the Half-Square Triangles. Draw a diagonal line opposite to the seam of the HSTs. Sew a scant  $\frac{1}{4}$ " on each side of the diagonal.

Cut them apart, you will end up with 36 quarter square triangles.

Now, you can trim these to  $6\frac{1}{2}$ " square.
